## IMBU NETWORK ANNOUNCEMENT

Upon Investigation There is a Need for

1. Unit of Account
2. Store of Value
3. Transactions

Therefore with a 100% congruence Redenomination and Multi-Tokenization before distribution has occurred for the IMBU network. Except for tokens allocated to the management and reference teams as well as key indicative users.

Distributions to Approved Governments are approved as follows>

Based on:

1. Population.
2. Land Area.
3. Other Factors Deemed Appropriate. < i.e. socio - political factors

Re-denomination is set at 1 : 1,000,000 as of February 5, 2024

This follows the proscribed model.

This allows that the system has unlimited funds as there is a need for near unlimited transactions based on the changing economic models.

Demand Fullfillment models are important and many models will grow from this and prior models investigated through history.

Thank you and this is a published NOTICE.
